BARBECUE
COMPANY**

Catering
by **DANA**

**ABSOLUTE BARBECUE COMPANY
ESTABLISHED 1989**

We are an off-premise catering company. Not only is this what we do, it's all we do. That's what makes us so great and sets us apart from other barbecue companies. We show up, set up, cook on site, clean up and go away as if we had never been there.

We slow smoke our meats to ensure that "fall off the bone melt in your mouth" fresh taste that we are renowned for.

We feature a true Texas Style Barbecue. Our finest choice meat is seasoned with ABC Texas Dust, then smoked with hickory logs or barbecued over mesquite logs, and topped with our very own Absolute Barbecue Sauce.

Every event is different; therefore, all pricing is not included. However, a coordinator will be available to help you make decisions to stay within your budget.

CATERING BY DANA, our fine dining and corporate catering division specializes in non -barbecue menus. If your needs are greater than just barbecue you won't have to go anywhere else. We can customize any menu to fit your needs whether it's a barbecue or an upscale appetizer party.

CATERING BY DANA & THE ABSOLUTE BARBECUE COMPANY can meet all of your needs and surpass all of your expectations.
